The Mission Project. We are now collecting any and all **non-perishable** canned, boxed, or other shelf-stable food items to help feed those in need. Due to the number of requests from local food banks, the Missions Committee has determined that the best way for our congregation to help our community is to supply food to meet the increased needs of our neighbors. As always, items can be brought to the church on Sunday, or placed in the basket which is located outside the front doors during hours that the church is open. The food we collect will be used to help the Sharing Center and the Safe House. Both of these facilities have indicated that the best donations they receive right now are food items as the need is so great. If you have any questions please contact Michele Terry.

Choir: The more the merrier! The choir is looking to add more voices to enhance our already wonderful group. If you have been thinking about joining, but just need a gentle nudge, now is the time. Before you know it the holidays will be upon us and any time of the year is good to celebrate the Lord in song. We meet on Wednesday evenings, at 7:00 pm in the Sanctuary. I look forward to seeing new faces very soon! Just show up on Wednesday or call Marlene at 407-765-5343.

Crafts Group Will meet Thursday, September 29, at 10:30 am in crafts room.
